## Attention: Hope 4 Health Members

**Congratulations on graduating and becoming a doctor.  
Welcome to the professional world!**

**After four hard years of studying, it is important that you now take the next step and get all your personal financial affairs in order.**

**It could be one simple accident that could jeopardize your years of work, and the existing future that awaits you.**

**To make this easy for you, we have highlighted below a number of important points for consideration including:**

- **Remserve Salary Packaging**
- **Private Income Protection to top up your Q Super Cover**
  - Additional Cover For Blood Borne Disease
  - Additional Cover For Needle stick injuries
- **Superannuation Consolidation**
  - Move everything in to Q Super
- **Investment Strategies**

**As most of you are commencing work on the 4<sup>th</sup> January, it is important that you organise your Salary Sacrificing and Income Protection as soon as possible.**

**As part of our ongoing support towards the medical community, for every medical student from Griffith University that takes out an Income Protection policy protecting against blood borne disease, CFB will donate \$100 to Hope 4 Health.**
